## Summary

HelloOooOo, I'm Bhawesh !

A tech enthusiast with a passion for exploring the science behind the technology around us. With a background in web development and a keen interest in data science, I am always seeking to expand my knowledge and skills in these areas.

Recently, I have stepped into the exciting field of data science. I am eager to leverage my web development experience to build robust and innovative data-driven applications.

Aside from work, I enjoy keeping up with the latest tech trends and exploring new tools and technologies. I am also passionate about open source & Volunteer for the community.

I am excited about the future of technology and am always looking for opportunities to learn and grow in this field. If you're interested in connecting or collaborating, feel free to reach out!
